Visit in Ngora

We were blessed to be able to take a trip to Ngora in Northern Uganda to visit Bro Patrick and his wife, Harriet. I led him to Christ and discipled him and his wife many years ago when we lived in Mbarara. They eventually moved back to his home village. They found a church that had been started by another independent Baptist missionary. That missionary was away on furlough, but Patrick jumped right in and helped teach and preach where he could. The missionary said later that Patrick kept the church together while he was on furlough. **What a blessing to "know that your children walk in truth."**

Visit in Rubindi

We also had the opportunity to go and visit Rubindi and Pastor Vincent where we started the church back in 2010. I helped Pastor Vincent in a baptism of three people and then I had the opportunity to perform the wedding for two individuals in the church. **It was such a blessing to see the faithfulness of the church members and to see how much the church had grown.**

Please continue to pray for the church in Rubindi as they are attempting to get some land where they can construct a permanent building.

Construction Progress

Unfortunately, one word that we have to deal with a lot here in Uganda is "delay". We have been delayed for almost two months in getting the doors, windows and roof installed in the building. We are patiently waiting, and we are making some progress in the process.

Please pray that the Lord will provide the money to finish the building after the roof, windows, and doors are installed.

Another Baptism in River Nyamwamba

We praise the Lord for allowing us to **baptize three more people from our church in Kasese.** **The best part of it was that one of these three was Kimberly,** our youngest child. She is the last one to make a profession of faith in Christ, and it was such a joy to baptize her.

More Ministries

Pray for the Lord to give us wisdom as we have a desire to start other ministries. Once we move into the new church building we would like to begin a Ladies Bible Study, a Wednesday evening service, a youth class, more evangelism ministries and begin having special visitor Sundays. We want to take every opportunity we can to edify believers and evangelize the lost.
