Our Church's Second Anniversary

We were delighted to have Pastor Stanley and his wife, Janet, to come and be our speakers at our church's second anniversary. We had special classes the Saturday before where Pastor Stanley taught the men and Janet taught the ladies. It was a very encouraging time for our people. I was excited at the way the people really grabbed ahold of the preaching by Pastor Stanley. Our people fell in love with them, and we hope to have him back again.

We had over one hundred people in attendance. Two professed faith in Christ, and we had three who had been discipled sign the book for church membership. We had a "dinner on the grounds" afterward and it was definitely a wonderful day to remember what God has done and is doing here in Kasese.

Another Wedding

We were blessed to have another wedding. One of our church members made things right getting wed properly. It was a blessing to see Robert and Scovia do what is right. Robert wants to start a church in his village. Please pray for him and Scovia.

A New Police Ministry

God has opened the door to two new ministries. The first one involves having the opportunity to preach to the police officers here in Kasese town. Drunkenness is a problem here in Uganda, but it is also a big problem in the police force. May God use me to make a difference in the lives of these policemen.

Another door is that I have been given the opportunity to go into the jail every week and preach to the suspects. This ministry is to those who have been incarcerated but could possibly be innocent. I have said many times that God makes no mistakes. Sometimes He may allow someone to be put in jail for the sole purpose of hearing someone preach the Gospel to them. It may be their only chance!

Advanced Ministry Training

We were able to host four men from the AMT ministry program. These men served, worked, went soul winning, preached, taught and a host of other things during their two week stay with us. We pray that God opened their eyes to what He is doing on the foreign mission field.

Uganda's Uniqueness

Uganda has a long tradition of men paying the bride price to their future fathers-in-law. Depending on the education level of the girl, the price can be very expensive - which could mean many cows and/or goats.
