### First Graduation

We were blessed to have our first graduate from Rwenzori Baptist College. Sharon had begun her college training in Mbarara, but after moving to Kasese she finished with us. Sharon has been faithful, and it was great to see her finish her academic training. It was an encouragement to the other students to keep going and not quit.

### Uganda's Uniqueness

Uganda got her independence from Great Britain on October 9, 1962.

### Fun Independence Day

We had a great day on October 9 celebrating Uganda's Independence Day. We had over 100 people attend, and they all had a great time. We are trying to teach them how they can be patriotic as a Christian. One of our men preached about how we can have freedom through Christ. Many people heard the Gospel on that day.

### Finished Church Building

How we thank the Lord for all those churches and individuals who have given sacrificially and generously over the past few years toward our building project! We are finished!! Praise the Lord! Thank you all for your prayers and your help for us to have a beautiful building that will bring honor and glory to God. We pray that your investment will bring much fruit.

### First Half of Lhukonzo Discipleship Completed

I am working with men in our church and others to edit and check our discipleship lessons that have been translated into Lhukonzo. We have completed 9 out of 18 lessons. We hope to finish by the end of the year. It will be a great help to all those converts who only speak Lhukonzo. We have several churches that are waiting on us to get it done as they need the lessons now.

### Fruit of the Spirit

What a blessing to be able to say that we have started a Ladies Bible Study! When our church was started, it was mainly men; so it has taken time to get more women. My wife is teaching through a series on spiritual fruit, whether your fruit is sweet or sour. The ladies of the church are excited to have a class for them that will answer many of their questions.
