Visiting Kyahi

We were able to make a visit to Kyahi where we started our first church. It was a blessing to see all those who have been faithful since the beginning. Some have left, but many (and now their children) are being faithful.

Pastor Eliab is recovering from a surgery and is having a hard time. He is over 60 years old. He is training Moses (far right in the black shirt) to take his place.

Uganda's Uniqueness

Because football (soccer) is the most popular sport in Uganda, the World Cup is very important to them. We invited the singles over to watch the Final. We had a great time.

Visiting Rubindi

We were also privileged to visit Pastor Vincent and the 2nd church we started which is in Rubindi. The church has been growing in number and they have purchased their own land. They have also made their own bricks and are planning to begin constructing their own building. Please pray that God will provide the funds for this construction work.

We are thankful for the faithfulness of Vincent and the people in Rubindi.

Kasese TBI

We were blessed to have our first TBI (Tri-annual Bible Institute) in Kasese. We had 15 students with two graduated pastors also in attendance for practical input. It was a real blessing as we went through the course entitled "Pastor and Pastoring." We gave them a lot of practical helps as well as challenging them to be true to the call and qualifications of a pastor.

At the end of the week we went out to Karusandara, another church plant, and we all worked to set up a structure for the church there. It was a blessing for these men to be involved in a church plant.

Karusandara

As mentioned above we went out and built a 20 x 40 structure for the church in Karusandara. The church in Kasese assisted in purchasing the iron sheets for the roof.

The following Sunday we had a high attendance of 16 adults with 22 children. The week after that there were 20 adults with 22 children. What a blessing to see the number growing. Please pray for Brian as he leads the work there in Karusandara as well as continuing with his work in the church in town.

The new structure in Karusandara

We have arrived back in the U.S.! Our new stateside phone number is 660-229-0125. Our meetings will begin in October after getting everything ready to travel. Please pray for the churches there in Uganda that they will remain faithful to the Lord in our absence.
