Back Home!!

After several days of traveling we reached Uganda safely. All the bags made it as well, for which we are grateful. Then we had a seven hour drive to reach our home in Kasese. Praise the Lord, it is so good to be home!

Thank you all for your prayers for us as we packed up, loaded up, flew out and reached home safely. God is so good!

Immigration

Please continue to pray for our immigration situation. Due to a miscommunication, the year long expiry date was not from the time of approval but from the time of application, therefore it expired. I resubmitted the paperwork and am waiting re-approval.

Keila's Recovery

Keila has recovered to the point where you really cannot tell she ever had a stroke. We cannot thank you all enough for your prayers, gifts and messages. God has given us so many friends across the world.

Ministry

We are so thankful for those we left behind to keep the work going. They did a tremendous job in our absence and we are eager to continue their work. We continue to see people saved, baptized and starting to be disciplined.

We were able to purchase a piece of land for the church in Karusandara. Now, we will be working to get a permanent building on the site.

I was able to travel to the mountains and preach the P7 graduation class for Pastor Zebedee in Muhindi.

We went to visit a group of pygmies called the Bathwa. We brought them some food and preached the gospel to them. There is a great open door here. Please pray for God's wisdom as to how to proceed with this ministry.

We have begun to construct our multi-purpose building. This will be used for Sunday School classes, Bible college, dormitory rooms, etc. Please pray for wisdom for the engineer and that the money raised will be sufficient; as you know prices and plans can always change.

We truly praise the Lord for the vehicle He has provided for us through many individuals and churches. God has truly prepared the way for the ministry in the Rwenzori Mountains. Please pray that God would give us wisdom as we plan.

Here are pictures of two brand new Toyota LandCruisers - one in 1981 and one in 2019. A church bought our former African Director, Ron Bragg, the one on the left when he was in Senegal in 1981. A church, plus some individuals, bought us the one on the right in 2019. What a blessing that we serve the same God, and God is still working even today - 38 years later!!
