Uniqueness of Uganda

Several weeks ago two tourists and their driver were killed by rebels. We do not feel threatened by this, but we do understand the power of prayer. Please continue to pray for our safety in Uganda.

Furlough

We praise the Lord for the good and safe travels He gave us as we returned to the US. It was a blessing to be reunited with family and friends, and we look forward to a lot of fellowship with our supporting and prayer partners while on furlough.

Through the generosity of some great friends, we were provided with a van for use while on furlough. It has been a tremendous blessing, and we have already put over 7,000 miles on it.

In the past two months of travel we have been in Missouri, Oklahoma, New Mexico, Arizona and California. God has blessed us with some great meetings with our supporting churches and some new churches as well. We are thankful for the new churches that have taken us on for support and the increase of support by some supporting churches. Please continue to pray for us as we travel thousands of miles to reach these churches and report on the work that is being done in Uganda.

Back Home in Uganda

It is a blessing to know that the Lord is still working in Uganda in our absence. We are receiving reports from the leadership there in Uganda that people are still getting saved; the new converts are getting baptized and are being disciplined. We even had another wedding in the preaching point of Kyishanyarazi up in the mountains. We are thankful for Reuben and Suzan doing what is right.

Family Update

The Lord continues to bless our family as we continue to go separate ways. Marcus is living in Missouri working and serving in our sending church. Kendra is living in Ohio working and serving in my brother's church. Kirsten graduated from high school before we left Uganda and is traveling with us for a time while taking online college classes. Her plans are to work over the summer and attend Bible college in California. Kimberly is continuing with her homeschooling as we travel. We all get to spend Christmas together for a few days this year! This is a new season of life for us, but it is exciting to see the Lord work in the lives of each of the children. Amen!
