Uniquely Ugandan

Uganda was a British colony until 1962. And so, one of the characteristics of the vehicles here is that the driver is on the right side, and we drive on the left side. It takes some time to get used to changing when we go back on furlough to the US.

Furlough is Finished

“To God be the glory, great things He hath done...” We are so thankful for our time of furlough. **God was so good to us in so many ways - safety on the road, good meetings with friends and pastors, new meetings, increased support, 100% of the needs we presented were met, and seeing our children!**

Now we are so glad to be back home in Uganda and have been able to get back into the ministry here. While we have not yet been able to visit all the churches where we are serving together, the ones we have been in have encouraged us with their faithfulness, especially during our time of furlough.

Leadership Fellowship

With just a few weeks passing since our return we had our quarterly men’s leadership fellowship. It is a time when all the leaders from the churches in the district get together for encouragement, preaching, singing, discussion about difficulties in the ministry, and, of course, food. **What a blessing to have it in Kyinyayobyo with seven of our churches represented.** Amen! It was a blessed time.

Newest Church Plant

Before our furlough, we had visited the village of Kajwenge with the plan of helping a man get a church started there after our furlough. After returning, I was able to visit with Bro. Chrispo, who is heading that up, and see the work that he is doing with soul winning and discipleship. I was so encouraged by the work and how it is continuing. **Please pray for this church plant as it will most likely be the next “official” church in Kasese District.**

Another Wedding

Another one of our faithful men, Monday Moses, was recently married. He found his bride, Kabugho Moret, in one of our churches up in the mountains. What a blessing that he found his wife in another independent Baptist church. **Please pray for Moses and Moret as they begin their new life together.**
